

Create a login card for each student.

Code login cards to rows of keys with colored tape or stickers.

Navigating to Google Classroom-

- 1) Beach Ball
- 2) Tiny Waffle
- 3) Google Classroom

Example Login Card

Name

n a m e 1 2 3 @domain.net

p s w d 1 2 3

Partner up older & younger students to practice logins.**
At home, have family members help.
**Observe social distancing guidelines as published.

Avoid confusion- **exclude** the words username and password.

Clever

Using Clever? Login QR codes are provided for every student.

Students should get in the habit of logging out.
Try: **ctrl + alt + q** (twice)
